

## Social justice postgraduate degrees

Below is a list of postgraduate degrees currently offered in Australia that have a social justice focus.<sup>1</sup> This list is targeted at those who already have an undergraduate law degree – as such, we have attempted to only include degrees that require some legal background, and also have a social justice element.

Please note that listing a degree below is not an endorsement of the university, or the degree. We have attempted to be thorough; however, this is not an exhaustive list. If we have not listed a course in this table that you believe deserves inclusion, please contact us at [info@probonocentre.org.au](mailto:info@probonocentre.org.au) and we will consider your request.
